Secretary/Treasurer: P/D/C Janice Elwood, JN (812-401-8300)

A Unit of USPS, Sail and Power Boating® — District 24

Commander's Corner

I hope to see everyone at our Change of Watch later this month. It is not too late to get your reservation sent in to Janice. We are planning on

having a good meal and better time. Many of the D/24 Officers will be attending.

We have had a busy schedule; the boat show at Lynn's Westside Marine open house, the Outdoors Unlimited event at the 4-H center spending two days at both places. Thanks to those who helped at our displays. I would like to see more members participating as the same people are working these events. As you know every activity a member does goes toward earning a merit mark. This is the only way we get "paid".

We will be setting up a booth this weekend at Cinema East, to get our name out to the public, and sign-up students for our upcoming ABC class. They are showing the Titanic in 3D. Call Richard Rombauer to sign up. 812-985-9956. or... email him at: jules.rombauer@gmail.com

Now to get back to boating! Linda and I are heading to the lake this week but will be back to help at the movie theatre this weekend.

Cdr. Sam Richey, SN

Education Update

The GPS seminar at the end of March was quite a success. Nine people attended, plus eight of our Evansville Bend members were

there. It's interesting to note that all of the 9 people heard about the seminar from reading the Local Happenings article in the Courier-Press. That column has certainly become our best source of advertising ever.

We've had quite a lot of interest in our ABC class, too -- so it may be a full house! Don't forget - that public boating course begins April 11, and continues for 5 weeks on Wednesday evenings at the EMA building. So, if you have one of those evenings free we'd love for you to come and meet our students - and get credit towards a Merit Mark by "proctoring" the class.

Cheri Boss has scheduled First Aid/CPR training with the Red Cross. The first class will be held on Monday, April 9 - and it "sold out" immediately. She's putting together a second class now. If you're interested, be sure to contact her.

As we quickly approach boating season, our classes will tend to taper off. However, it's never too early to start thinking about classes for next fall - so let me know what advanced and/or elective courses you may be interested in.

SEO Karen Rombauer, AP

**AUDITING COMMITTEE
REPORT FOR 2011—2012**

Cheri Boss and I conducted an audit of the Power Squadron books for the 2011-2012 fiscal year ending February 2012

The books agree with the current Old National Bank statements, and the entire years transactions are presented in a Quickbooks format which is extremely easy to follow. All transactions are also maintained in a monthly format and kept in a three ring notebook.

All deposit slips and expenses are available for review.

The books are in excellent condition.

Regards,

Jay Picking Auditing Committee.

**PLEASE CONTINUE TO PRAY
FOR VICKI TRAPP**

P/C Vicki Trapp continues to need our prayers. She is starting a new type of treatment.

Please pray for the success of this treatment and for her health to be restored..

In addition, pray for her husband, John, and the children,

BOAT SHOW AT 4-H CENTER

Thanks to all members who came and volunteered their time to help at the Evansville Bend display at the Outdoor and Boat Show at the Vanderburgh County 4-H Center.

The event took place on Saturday and Sunday, March 31 and April 1st.

PILOTING CLASS “UNDERWAY”

P/C Jay Picking is teaching the Piloting Class to members of Evansville Bend. Jay is one of our most

knowledgeable and loyal teachers and his expertise is greatly appreciated year after year as he teaches many of the USPS courses to our

members. Thanks Jay and to his very able first mate, Suzy who assists him and herself is a great teacher.
