September 19th Meeting Features Derk Boss and Tour of Casino Aztar Boat Pilot House

Our Wednesday, September 19th meeting will be a very special one where members will be able to go inside the Casino Aztar's Pilot House. We have toured the pilot house before, and have had very large interest from members.

Meet at 6pm and please park at Le Merigot Hotel (you can valet park if you'd like or just park in the hotel parking). The hotel is located across the street from the boat. AO Derk Boss will arrange a shuttle to the boat and then to RiRas.

If you need a wheelchair or scooter you should contact AO Derk Boss at 433-4050 or 470-1744. Also if you fax him your photo ID he will go ahead and get you signed in so you don't have to wait to go onboard. **You**

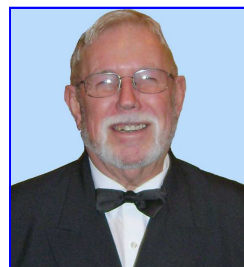

can fax to attention of Derk Boss at 433-4334 or send a scanned copy to dboss@aztarindiana.com

After touring the pilot house, we will have a fine Irish dinner and drinks at RiRa Irish Pub which is adjacent to Le Merigot Hotel.

We will be ordering from the menu and everyone is "on their own" for payment.

Commander's Corner

Labor Day has come and gone. For so for many boaters the boating season is over. However, for Linda and I, we

A Unit of USPS, Sail and Power Boating® — District 24

have at least two more months of boating. We hope you all feel the same.

26-27 October will be our District 24 Fall Conference in Columbus IN. On Friday night Ron Eberhart will have a chance to show off our web site. All of the other squadrons will be showing theirs as well. This would be good time for more of our members to attend the conference. I always enjoy these weekends by getting to meet members from other squadrons in our district. Over the years I have made many friends in District 24.

You may even learn something, if not in meetings, then in the hospitality room. All squadron members and their guests are welcome. You will be receiving you District 24 newsletter in the next couple of weeks.

More coming later, but I want everyone to be planning on attending the chili cook-out at the Grapers, on Saturday, October 13th. Save the Date.

Cdr. Sam Richey, SN

WE PIGGED OUT AT OUR PICNIC

We gathered around 6:00pm on August 15th at shelter house #19 in Burdette Park

This was a different shelter house than last year, much larger and featured a huge deck and is in a wooded area. The best part was that

the restrooms were inside. We dined on pulled chicken and pork from **Hogs 'N Sauce**. Everyone pitched in by bringing a side dish..either vegetable or dessert.

It was great to see John,
Rebecca and Will Trapp.

No one went away hungry!
